# Hold Table

Jonathan Prestwich

## Technical

Jonathan Prestwich's Hold table has a cast aluminium four star base in a black, grey or white powder coated finish. Available in oak/walnut on ply, white/ black HPL on ply and white/ black MFC with edging. Solid natural and black oak are available but only on 600mm or 800mm. In two heights and a range of sizes, the Hold table has round or rounded square top cut from cut from ply core. Simple, monochromatic and hard wearing, Hold is ideal in a hospitality environment where it works perfectly with the coordinating Hold chair.

### Materials

Top	FSC certified veneer hardwood plywood, MFC with edging or solid oak
Base	Die cast mild steel with powder coat finish
Feet	Nylon glides
