
Library

Michael Sodeau

Technical

Forgoing the straight lines of traditional high back seating, Library is a sculpturally organic, cocooning high back sofa ideal for creating private spaces and reducing noise levels. With an extremely slender profile, Library is constructed from cold cure polyurethane foam with a separate cold cure seat, providing a sheltered, intimate space that feels open and unrestricted.

Materials

Frame	Steel and ply internal frame
Foam	High resilience moulded foam over a tubular steel frame
Base	Powder coated steel in RAL7021 Black grey, with felt pads
