
Belt

Mårten Claesson, Eero Koivisto and
Ola Rune

Technical

Belt, designed by Claesson Koivisto Rune, is aptly named after its distinguishing belt-like handle strap which runs up the side and across the top of the seat. The strap provides an integrated handle, fitted flush with the fabric cover, which can be easily gripped when the need to move the stool arises. "We have taken particular care to design a pleasing shape for the stool, which we wanted to have a soft character with a gentle taper towards the base." Says Claesson Koivisto Rune 2018. Naturally, the Belt stool is circular in plan making it omni-directional. The thick, saddle leather used for the strap forms a crisp, graphic accent to the design and can be specified in several colours that can be used to contrast or complement to fabric seat cover.

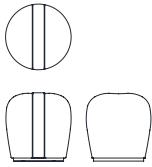

Materials

Frame	Plywood internal frame
Foam	High resilience moulded foam
Base	Black MDF base and felt pads
Upholstery	Available in a wide range of fabrics and leathers or your own fabric and leather (COM or COL) POA

Stool

BEL001

Height(mm) 440
Width (mm) 430
Depth (mm) 430
