# Stripey

Simon Pengelly

## Technical

With horizontal stripes formed by the profile of the doors, this simple credenza has an oak veneer or matt paint carcass and lacquered or solid oak or walnut doors. With cable management and adjustable library shelves, Stripey comes in a two, three or four door version or as a tall unit with satin chrome tube legs. Stripey was one of our first collaborations with Simon Pengelly, its continued popularity owes much to its classic design.
